*Joseph married Mary Elizabeth Hawkins first. She apparently died after the second son was born. Then he married her older sister, Evaline Amanda. The 1850 census shows his 2 sons and his daughter. She also appears back in the census. The family shows 2 sons and 2 daughters. Not "Maudie" children.*

## Newsom (e)

My grandfather, Louis Rowan Newsome, gradually changed his name to Lewis Roan Newsom. I don't think he ever spelled his last name with an e, but the rest apparently did. According to early letters signed by him, he was LOUIS ROWAN. In 1900 & 1910 Census records he was born in MS.

(SEE  
CHART)

His father, John H. Newsome is listed as being born in Alabama. His parents are listed as: father born in Tennessee & mother born in Florida. But on his death certificate, John H. Newsome was born in Tennessee.

Thanks to your Confederate Records book, page 123, I found him listed in 1<sup>st</sup> Miss Sqn. I did not know this until last month. The only other thing I know is that he<sup>JOHN H.</sup> had a ~~son~~ brother or cousin named NYMAN (HYMIE) Newsome who lived in Houston, Texas. I've tried to find him listed somewhere to link someone with John H.

John H. Newsome's death cert<sup>y</sup>. states <sup>that</sup> John Newsome was his father.

This is ALL I know! I can't believe I can't find out any more about this line. I thought it would be a snap! Maybe it would if I could get my hands on some records! But I have 2 daughters 5 & 11. so

I don't get a chance to go out of town. They are active in alot of things and I have no family here to help me with them. My husband is wonderful on the weekends, but courthouses & many libraries are closed on weekends. I grab the family tree column every Sunday and see your name alot. I just felt that it would be worth taking a chance to call you, especially since your "partner" <sup>(NICHOLSON)</sup> might be related to me!

I didn't mean to sound like Scrooge when I talked to you. I guess I didn't realize that you do this for a living - I thought you did it for fun - that's why I am doing it! I love to get other people interested in genealogy and bore everybody around me.

I guess I could get quiet when I finally solve my "puzzles"! So I guess you'd be doing everyone a big favor if you could help me fill in my blanks!

Anyhow, I wouldn't dream of asking you to do research for me since at this time I couldn't pay for it. But I can easily pay for copying documents or information, and would appreciate any information you might know about any of my ancestors. Since I am so new at this, the answers are probably staring me in the face, but I am at a standstill on these families.

I am enclosing family group records. If you want more information on these people, I will try to get it. I have been very lucky on my M.S. relatives.

Sumrall & Nicholson

April 17

(Clarke  
Co.)

When my great grandmother, Caroline Sumrall was <sup>6-8 yrs</sup> very young, her parents died, leaving 10 children. She and her brothers Daniel & Rowan were sent to Wayne Co. to live with their uncle, Daniel Nicholson. This is shown in the 1860 & 1870 Wayne Co. census. It agrees with information from Rev. Roan Sumrall (Rowan Sumrall's grandson), and information on tombstones at Nellis Creek Cemetery, Wayne Co. MS.

(SEE  
CHART)

This is why I think Caroline's mother <sup>B 1806 SC.</sup> Margaret was <sup>B 1808 SC. NICHOLSON</sup> Daniel's sister, and <sup>B 1773 SCOTLAND</sup> Archibald's daughter. She named her 1<sup>st</sup> son Archibald D., a daughter Katherine (? after her grandmother, Katherine McArthur?) and a son Daniel.

Maybe I just want this to be the right family. But I am sure that Daniel Nicholson raised the minor children of Margaret & Harrison Sumrall. I just need to know what Margaret's maiden name was!

Also, where were all those Sumralls buried? They are not in your Cemetery book B. I can't find them in another book of cemeteries in Wayne Co. Maybe in Book A.? Most were from Clarke Co., but some were in Wayne & Jones Co. (J.E. Sumrall, p. 85 in your Conf. Records book for Covington, Wayne & Jones Co. was Hewell Sumrall's son, Harrison's brother)

Except for census & Court records, most of my information has come from:

Gray family - Charles Gray

DuBose family: DuBose family book

Sumrall family: Sumrall family book

Newsom family: death certificates

So far, I have not gotten certified proof of most of the entries. But I have used the information in the books as a starting point. I have spent most of my time working on my mother's families in Georgia & Alabama. But I write down everything and keep my "eyes peeled" for all of my lines at one time. It can get confusing at times.

I will close now. I can't thank you enough for anything you can tell me, no matter how small. I've found that the tiniest piece of information can be invaluable.

Sincerely,  
Anita Newsom Nail

Dear Jean

I enjoyed our visit too just wish it could have been longer. As you can tell I like to talk. Guess what I hit the jackpot. My mom grew up at Rainey & Sweetwater Counc. She doesn't know where the 2 cmt. are but I talked with some friends of hers who still live there.

They told me where they are. Both in Wood's & in bad shape. We can call the prop. owners & go to them.

Thank you for the book it is interesting reading. About places you know & have heard of.

Max Jordan is also a cousin of mine when you are in Jones Co. most everyone is kin one way or another. How is the Jasper Co. work going? Just found out lately my Lucy Jones Cooper, Newsome, Williams was in Jasper Co. (1838?) (1850) (Jones Co. 1880). Supposed an orphan in Perry Co. 1825 with her cousin or sister Ellenor Nellie Jones b. 1807 Ala. marr. 1825 Perry Co. Miss. to Richard C. Newsome they moved to Jasper Co. Lucy b. 1823 Ala. marr. Robert Cooper 1 child Mary Ann. Lucy marr. Richard Newsome after Nellie died 1848 (no children) Lucy was married to Charles Williams in Jones Co. by 1870.

I ~~was~~<sup>want</sup> to unscramble some of this but  
may be to many records lost ect, may be like  
looking for a needle in a haystack. Sure enjoy it  
I'm looking forward to meeting you anytime
